## DNWE 20,000+ DEAF SWMI Mass Evangelism Missions Trip

Silent Word Ministries International took a **team of 38 soul-winners** to distribute gospel tracts and DVDs at the **DeafNation World Expo**, held in Las Vegas, Nevada. God brought a wonderful team together to reach out to the **20,000+ lost deaf and hearing people** in attendance. **Ninety-eight precious souls made professions of faith** in Jesus Christ during this missions trip. To God be the glory! Thank you so much for your prayers on our behalf. **Please, see the full story on the next page.**

# SMWI AT WORK

## Your Financial Investments at Work

What a blessing it was to have such a soul winning team! The Gospel was given out left and right as thousands of deaf people from around the world came by our two booths. Our team members did a great job drawing people to the tables, distributing the Gospel literature, as well as beginning conversations that led into the Gospel. Witnessing took place in the large corridors as well as at the tables. However, we had chairs set up in the back of each booth where we could sit down with interested individuals and share the plan of salvation with them. As mentioned above, 98 deaf and hearing people made professions of faith in Christ!

**Jeff and Joanna Longworth**, From Pensacola, Florida, had the blessed privilege of leading a deaf couple to Christ. This couple had attended the deaf school with them when they were growing up.

**Nicole Holmquist**, a deaf woman from Seattle, Washington, witnessed fervently during the week, but was somewhat discouraged by Friday afternoon because time and time again those to whom she witnessed walked away without trusting Jesus Christ as Savior. However, just before closing our booth on Friday afternoon, Nicole was rewarded for her faithful witness by being able to **lead four deaf adults to Christ**. This was a thrill for all of us.

Approximately **5000 Gospel DVDs and 15,000 Gospel tracts** were distributed. We rest in the promise that God's Word will not return void, believing that others will come to Christ in the weeks and months ahead through the seed that was sewn and watered.

Hundreds of hours and thousands of dollars were invested in just this one evangelistic outreach. We thank you, our prayer warriors and financial supporters, for your investment in the ministries of SWMI. God continues to work both in the lives of the lost who received Gospel literature as well as in the hearts and lives of those who participated on our 2016 SWMI missions team.

Maybe **YOU** will join us on a future missions team!
