## *Missionaries to New Brunswick, French Speaking Canada*

September 27, 2016

Dear Pastor and Church Family,

In our last prayer letter I mentioned the hospitalization of my brother Doyle. Sad to say, after he was released from the hospital he took a turn for the worse and passed away. We were shocked to hear the news. We are comforted in the fact that we will see him again in heaven and he is no longer in pain. With much help from the Community Baptist Church in Idaho City, he had a good memorial service. Weeks later I was able to conduct a graveside service with family and friends. Thank you for praying. God is good – all the time.

Thank you for your prayers as we start a new work. The Lord has directed us to St-Quentin and Kedgwick, New Brunswick. These two towns are located an hour from the Quebec border. This area was settled for the most part by people from Quebec and also by French Acadians, from the Atlantic coast. It is very rich in culture and is known as the maple capitol of the maritime provinces.

Catholicism is the only religion in our town, and there has never been another church started of any kind. The most frequent question people ask us is, "Why did you come here?" When I mention Baptist they say, "We don't know anything about Baptists." We are excited about sharing the love of Christ and His salvation with people in this needy area! We have been here for a month and little by little we are meeting people and getting to know them better. One thing the Lord showed us after being in Africa for so many years is that relationships are important and that people need to know that you care about them. We pray that the Lord will use us for His glory.

Thank you for your prayers as we start this new work. It is a blessing to represent the Lord and you – our supporting churches. We thank the Lord for the opportunity to serve Him these many years. Thank you for partnering with us.

May the Lord bless you,

Dan Post
