Dear Friends In Christ,

Once again, on September 16, we had our special annual service on the Camp Ground where we had the different churches coming in for Mexico's Independence Day celebration. My message that I preached that day was simply "Why Do People Die?" After the service, two of our ladies, Michell and Susi, talked to a young lady about salvation. Her name is Nayeli, she is 20 years old. She made a profession of faith in Christ and was baptized Sunday, September 25th. The two ladies who led her to the Lord have began discipleship classes with her. She has a very positive response to her new life in Christ and her training.

Later, one of our young men, Alfredo, led a young boy to Christ, named Chanel, 12 years of age, and was baptized on October 2nd. Alfredo, who led him to the Lord is beginning discipleship classes with him. Please keep praying for our intense efforts on evangelizing our town of Tecoh.

It was a joy for me to be in the town of Telchaquillo for a special service in the home of Samuel Ancona, who just celebrated his 76th. birthday. I preached on the "Two Births," emphasizing the need to be born again into the family of God. This brought back many memories of many years ago when first going into this town and seeing lives transformed.

Back in the spring of this year, our daughter Becky was in for 3 months of deputation. We are praising God for the increase in her monthly support, and offerings for special projects.

Please keep praying for Angie and her time of deputation during September, October and November.

This has been a very busy summer, with 6 V.B.S.'s, lots of sickness, and lots of work going on, but God has blessed in so many ways. We praise Him for 6 or 7 who have made professions of faith. We are praying for their growth spiritually and for their faithfulness to God. Help us pray for them.

We want to thank each of you for your prayers, and for co-laboring with us for many years in the Yucatan Mexico.

In Christ,

Odis & Betty Seals
