Dear Supporting Friends,

How beautiful are the states as their landscapes change colors ready for winter to come! I have always loved the changing of the seasons because each season brings new opportunities to share the Gospel!!

Praise the Lord for a good report from our summer months. As each year, I preached and taught during the camps of the Bill Rice Ranch in Murfreesboro, Tennessee. During the camps for the deaf 14 accepted Jesus as Savior as well as 44 others making life changing decisions.

## INDIA

As in our last report letter we told you that we are heading to India for our second time per request of the missionaries there. The work has grown tremendously since our last visit and we are excited to go back!! Our team includes; Don Chevalley, Bill Center and myself. After much waiting, we received our visas and have now purchased our tickets. Our tickets were over \$4,600.00 and we were thankful that God provided those funds. Not only did He provide for the tickets, but He has provided the expense funds that will be needed during the trip. We are so thankful for God's people and their support of missions that we might be able to GO where we are needed. Now, please pray that God would open eyes and minds of the India deaf people to understand their need of a Savior. We look forward to giving you a good report on our return home!

On another note: Please pray for me. As most of you know I suffer with carpal tunnel syndrome of my left hand (I am left handed) and I have had surgery for it. This past summer I have suffered greatly again, but this time the doctor has found I have nerve neuropathy. I need surgery, but I am waiting until I come back from India rather than cancel my trip. Please pray that I will be able to maintain my strength as I serve Him.

Thank you again for your faithful prayer and support for this ministry. We rejoice in what God does daily in our lives that we may be able to GO with the Gospel. Again, thank you to those who have sent a special gift of help for our upcoming trip to India.

Yours to reach deaf souls,

Ronnie B. Rice
