Prayer Letter October 10, 2016

Dear Friends,

Wow! Where do I start. The Lord has been so good to me in so many ways.

After the Rock of Ages national conference the Lord just started piling on the blessings. It seemed like just one after another. I was just sharing with my parents the other day about how so many times we hear about the times the Lord sends blessings to missionaries and I think 'wow our God is always on time', but to have it happen to me just makes me even more amazed at how Great our God is!

I am so thankful for each and everyone who has prayed for me over these last six months, I have surely felt them all. Since the national conference the Lord has blessed me with 88% of my support. Which has put me in the place where I have purchased my airline tickets and I am scheduled to leave October 18th, 2016. Please pray for me as I say goodbye to my family and friends, and make the 24-hr journey to Cebu. Please pray for safety as I travel

I am so excited to get over to the Philippines and be able to work in the different areas in Cebu. It has been over two years since I've seen those people and I can't wait to see how much the children have all grown not just physically, but spiritually as well.

I am so excited to see all that the Lord has done in the Philippines. A lot has changed at the Dream Center and I can't wait to see it all. God has just been so good!

Again, please pray for me as I travel for safety, as I'm there pray I allow the Lord to use me, also pray for the remainder of my support to come in.

Thank you again for your prayers and support.
May God greatly bless,
