

10-26-11

Dear Pastor Caley and Friends,

Warm greetings to you all! What a beautiful time of the year! I am sure the forests around you are fast becoming like a big bouquet of flowers (leaves) of every Autumn hue. We thought the Cool days would never come but I am sure you have felt the cooling nip in the air, which is so refreshing.

It seems this is such a busy time of the year with every day more responsibility and more challenges. You have shown great faith in the Lord and I know you have found Him faithful to you. May we always be faithful to Him, in prayer and daily living. I am praying for you. I admire you greatly. I am grateful for your care of me and others as well as your own growing flock.

May our Lord continue to give wisdom, guidance and provision according to your need. "He is faithful that promised!" O for grace to trust Him more!

Sincerely with love, gratitude
and prayer

Nellie Price

I Peter 5:7, Ruth 2:12
